Infertility Patient Payment Policy

Black Hills Ob/Gyn, LLP will no longer be filing infertility claims. If you as the patient would like to file to your insurance company on your own behalf you may do so. These services may include subsequent ultrasounds, intrauterine insemination (IUI), and sperm washing.

Infertility can be an expensive process. The following costs are associated with the treatment of infertility.

In Office Procedure Costs:

Ultrasounds:	Subsequent Ultrasound	\$120.00
	Sonohysterogram (Saline Sono)	\$275.00
	Cath w/Infusion	
Infertility:	Sperm Wash and Intrauterine Insemination	\$130.00

All services will be paid for at time of check in.
